Bill, I reviewed/approved this with them several times before the holidays ,and instructed them how to do a mailing list, get the fact sheet out asp, etc. I also asked Jason and Denise to assist in my absence. Thought this was completed. I will call them immediately and see what the hang up is...

Subject: Wilcox Fact Sheet

Donn,
Would you please review this and tell Toeroek whether to go forward with this and the mailing list, or change what you feel needs changing. I need to get this out here soon , since the site listed December 12, 2013. I will then need to get travel plans and take Stephen with me, to go door to door and do Community Interviews.

Thanks for your help,
Bill
